I joined the chamber in March of 1995 and have been an active member ever since. I've served on the Membership committee since Day 1. Membership in the Chamber brings credibility to your business and increases your visibility in the community.

How long have you served on the board and why?

I have been a board member since 2016. I believe it boosts your public profile and it's a chance to make a difference.

How long have you been in your industry/with your company?

I started in promotional advertising in 1987 and started my company in 1993. We are celebrating 25 years in business this year!

What changes have you seen in your industry/company?

The value of promotional products as an advertising tool has increased in ROI greatly. Millennial consumers are driving change everywhere, including in the promotional products industry.

What advice do you have for new members of the chamber?

Attend as many events and programs as possible. It's a great opportunity to get to know new people and expand your prospecting base. You also have access to members only discounts and services.

When you're not working, how do you like to spend your time?

I am an avid reader. I always have a book in my hand when I'm at home. On the weekends I enjoy small dinner parties with my friends and family.
